

# 43<sup>rd</sup> National City Art & Apples Festival is a Success Thanks to the Community, Artists, Sponsors, and Volunteers

On behalf of Paint Creek Center for the Arts, we would like to thank the community, artists, sponsors, and volunteers for supporting the 43<sup>rd</sup> National City Art & Apples Festival. The Rochester Park was filled with more than 125,000 festival-goers, 270 fine artists from across the county, 27 participating non-profit organizations, and over 300 volunteers during the three-day event.

This year's event featured non-stop entertainment by both local and national acts, free art activities for children in the popular Kids Art Zone, interactive fun for all ages in the Activity Zone, and tasty treats from two fresh food courts. The festival is the second largest fine arts festival in Michigan and is named in the TOP 30 of Sunshine Artists Magazine's annual 200 Best Festivals in the Nation.

The 43rd National City Art & Apples Festival was held September 5-7, with proceeds benefiting [Paint Creek Center for the Arts](#) (PCCA), which enhances life in the region by promoting, encouraging and creating opportunities to participate in and appreciate the arts.
